

Behind the Homecoming '04

The Homecoming Weekend Staff Video

Filmed over the weekend of October 15–17, **Behind the Homecoming '04: The Homecoming Weekend Staff Video** offers a look at what motivates the Homecoming volunteer staff year in and year out.

Every year, during Homecoming Weekend, the UC Berkeley campus is awash with thousands of alumni, parents, and students engaging in scores of Homecoming activities and events. Making the weekend possible are hundreds of faculty, staff, parent, and student volunteers. In **BEHIND THE HOMECOMING '04**, these volunteers candidly discuss what it takes to be part of the Homecoming Weekend staff — the **job duties, years of service, and planning**, and, in the end, **the best part of volunteering**.
